The wine is ripe on the nose with notes of dark fruit and with much underlying freshness on the aromatic finish; plum fruit dominates the aromatic gamut along with cherries, and the aromas evolve with vigor and balance towards sensations of mint and liquorice. On the palate, though still young, the wine is ready and inviting, rich and harmonious; excellent the balance of the flavours thanks to the tonic acidity and the solidity and suppleness of the tannins. The finish and aftertaste are rich and savoury and are characterized by a sweet persistence and length.

They decided, to produce their own wines to enjoy with the local cuisine, specialising in Reserva and Gran Reserva style wines. The winery was integrated into the Gonz lez Byass Family of Wine group in 1982 and began an expansion into international markets.
