Piccolo Mondo

Welcome to our 2014/2015 Wine List.
Where you will find over 100 wines to choose from.

Here at Piccolo Mondo we love wine and are passionate about encouraging our wine loving customers to move on from their routine choice.

With our wine list you don't have to compromise on quality even when choosing from the lower end of this list.

Trends in wine and drinking habits changed over the years; for the full enjoyment of wine the **eye**, the **nose**, and the **palate** come into play.

Step 1 – the eye to appreciate the colour,
Step 2 - the nose to savour the aroma,
Step 3 – the palate for the enjoyment of the taste.

Wine should be drunk at leisure when full enjoyment can be derived by all senses.

Fine wine should be sipped rather than gulped.

Wine taken in moderation can be a wonderful gift.

It is a tonic not only for the body but to the spirit and can make a success of the dullest party.

Salute!
